Renewable Guarantee

corona ENERGY

is pleased to state

G K R Scaffolding Limited

has entered a contract for

100% Renewable Power

for sites under the following Contract IDs:

- 233654 01/10/2025 - 30/09/2028

RENEWABLE POWER

Neil Mitchell
Chief Executive Officer

This certificate has been issued by Corona Energy to acknowledge both the signing of a renewable electricity supply contract and Corona Energy's commitment to procure Renewable Energy Guarantees of Origin (REGOs) to verify the above fuel mix. Ofgem issues REGOs to sites that have been accredited for generating renewable electricity. Each REGO certifies that 1MWh of renewable electricity has been generated.
